FAQ

1. What do you need from client side to start the work

I need access to your Google AdWords account if you, website URL & Target Area/locations.

2. How will you access my google ads account?

I will send an access request on your google ads account from my manager's account in order to gain access, for that you will have to share the customer id (10 digit number) of your google ads account.

3. Where can i find customer id of my Google ads account?

It will be a 10-digit number (e.g 342-424-5122) written on the top right corner of your google ads account.

4. What information will you need from me after I place the order?

I will need; -> Customer id (10-digit number) of your google ads account. -> Link for your website/landing page for which you want me to set up the campaign. -> There will be some other questionnaires related to your Website/Campaign

5. Are there any type of campaigns that you don't work with?

Yes, I don't set up campaigns for CBD products, Tobacco, Drugs, Alcohol, Adult products, Phone/Computer repair services, Gambling, Forex Trading, Cryptocurrency, Guns & Ammunition, and Illegal products/services.
